Dear Ms. Zitwer:

On behalf of the Mount Sinai Beth Israel Pediatrics Child Life department, I would like to thank you for your continued support throughout the years. The children love the new Thomas the Tank Engine table and accessories. Many of our patients who have been here more than once see that it's new and are thrilled with it. The kids are so grateful, and it really makes their days so much brighter despite their hospital stay. Thank you also for ensuring that we have coverage on holidays, amongst the many other things you do for us.

It is through the kindness of organizations such as yours that our Child Life Program here at Mount Sinai Beth Israel has been successful and continues to progress. Thank you so much for your generosity. It is greatly appreciated and meaningful to many patients and their families. Happy New Year and best wishes from all of us.

Sincerely,

Marcia Graham, CCLS
