The Eugene Zitwer Foundation,

On behalf of the Pediatric patients and their families at Beth Israel Medical Center, we would like to thank you for generously funding our July 4th, Labor Day, Thanksgiving, and Christmas holidays. It will allow for many patients to socialize and bond during the holiday seasons. We also would like to thank you for providing us with the funds for the purchase of a Thomas the Tank train table and trains. It will provide entertainment and distractions for the patients.

Your support is truly appreciated and has helped our Child Life program to be successful as we continue to work towards our goals. It is through the generosity of organizations such as yours that the time in the hospital is made more comfortable and pleasant for our patients and their families.

Your generosity is greatly appreciated. Thank you again for your generous donation.

Sincerely,

Marcia Graham, CCLS
