Dear Ms. Millman,

Thank you for your continued support and funding of our Child Life Therapist and our overall Program. The Child Life Program has made a world of difference to our patients and families. The addition of this Program has truly enhanced the services we offer in our Division. Each year our patients appreciate everything that your organization does for our division and we appreciate it even more.

I thank you for your unwavering support of this program and for the most recent grant award of \$4000.00, to help fund the Child Life Specialist through June 30, 2013.

On behalf of the Staff and Families of the Pediatric Hematology/Oncology Division, I would like to thank you once again.

Sincerely yours,

Kusum Viswanathan, MD
