Dear Ms. Zitwer-Millman,

On behalf of The Division of Pediatric Hematology/Oncology at the Brookdale University Hospital and Medical Center, I would like to extend our heartfelt appreciation for your generous donation. The children and their families truly loved their gifts and had the best time at the holiday party. The children enjoyed the face paintings, balloons and the magic show provided by the Eugene Zitwer Foundation. You truly brought the holiday spirit to our patients!

Your continual support of our program has been remarkable and the work that you do is admirable. It is organizations such as yours and the wonderful job you do that made our party such a success. You definitely brought much needed smiles to the faces of our patients during the holiday season.

We at the Division of Pediatric Hematology/Oncology at Brookdale University Hospital and Medical Center, wish you and your family and the members of your organizations and their families, a happy and healthy holiday season and New Year.

Warmest regards,

Kusum Viswanathan, M.D.
