Brooklyn, NY 11201-4859

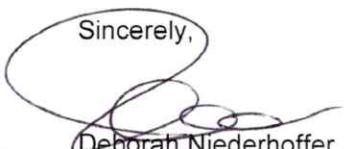

Dear Sharon,

On behalf of The Brooklyn Hospital Center's Pediatric Department and all of the children we care for, we thank The Eugene Zitwer Foundation for their generous gift of \$1,547.47.

Our Child Life Program is always going above and beyond the duties of a healthcare institution. As a community hospital which serves a low income population, the children we serve are often in need of basic essentials. Throughout the year, our staff is able to host parties, distribute clothing and school supplies and extend holistic care. But we couldn't do this without the support and generosity of our community. The toys for infants, head phones for teens and Radiology Equipment are very much appreciated and will have a great impact on our infant and teen patients in particular.

We are so grateful for all the ways in which The Eugene Zitwer Foundation's gift will support the children and families of Brooklyn. The funds you provide make a huge impact on all pediatric patients who turn to us for quality care.

Sincerely,

Deborah Niederhoffer
VP / Chief Development Officer
The Brooklyn Hospital Foundation

*Thank you so much for thinking
of our children.*
