

The Brooklyn Hospital Center

Keeping Brooklyn healthy.

January 2, 2018

The Eugene Zitwer Foundation, Inc.
50 Court Street, Suite 702
Brooklyn, NY 11201

Dear Members of the Board,

The Brooklyn Hospital Center and Child Life Program would like to thank you for contributing to a very successful and cheerful holiday season this year. We are so grateful for the support you provided for the holiday parties and inpatient unit, bringing our children and their families much joy and happiness with a face painter, toys and candy bar!

By supporting our children and families you assist our Child Life Program in providing them with normalization during the holiday season. The Child Life Program exists to educate children and families about the hospital environment, encourage self-expression and creativity, increase socialization, and create a therapeutic diversion. People turn to hospitals in their most vulnerable of times, your support during the holiday makes a huge impact on these pediatric patients. By contributing you not only supported the Child Life Program in making the hospital less scary, but brought the children joy and cheer.

We wish you all a happy and healthy 2018 and look forward to working with you again soon. As a community hospital serving Brooklyn for 170 years and counting, your generosity, kindness and friendship help further our mission of providing quality care to all, regardless of ability to pay.

Thank you,

Noah Kondamudi, MD. MBA. FACEP. FAAP. CPE
Chairman, Department of Pediatrics
The Brooklyn Hospital Center

Lori Lerma, CCLS
Child Life Director
