

The Brooklyn Hospital Center

Keeping Brooklyn healthy.

December 11, 2019

Dear The Eugene Zitwer Foundation,

Happy Holidays!! We are very grateful to have had your support during this holiday season for our holiday parties. The Brooklyn Hospital Center and Child Life Program would like to extend our heartfelt appreciation for your generous donation toys, gift cards, teddy bear activity station and face painters. The children and their families truly loved their gifts and had the best time at the party. You truly brought the holiday spirit and many smiles to our patients and families.

Your continual support of our program has been outstanding and the work you do is admirable. Our party was a great success and those who attended had an amazing time. As always, we thank you for your generosity and look forward to working together next year.

We wish you all a happy and healthy Holiday and New Year!
