Dear Eugene Zitwer Foundation, Inc.,

Thank you very much for supporting Children of Bellevue. Your generous gift of \$2,939.00 on November 28, 2018 allows us to provide holiday parties, programming, and gifts to so many children who visit Bellevue Hospital over the holidays.

Because of your assistance, children can depend on Children of Bellevue-supported programs to better adjust to their time here at the hospital. While coming to a hospital may be associated with illness and treatments, visiting Bellevue is different because of the care and comfort we provide that makes the hospital like a second home and its staff an extended family. You are the reason we can provide kids more than medicine—what they need to not only survive, but to thrive!

Thank you again for all you do for our Bellevue kids. You are an important part of their lives, too! If you would like to learn more about our work for Bellevue's youngest patients or go on a tour, give us a call at 212-562-4130.

Sincerely,

Sara M. Saastamoinen
Director of Development
