Dear Ms. Weintraub Dashow,

On behalf of the Children's Hospital at Maimonides Medical Center, we would like to express our sincere gratitude for your generous donation in support of our Pediatric Cancer Center holiday event.

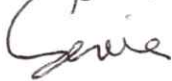

We believe it is incredibly important to provide families and especially our wonderful young patients, the opportunity to celebrate in the same location they receive treatments. Children are able to make positive memories in their doctor's office and they can enjoy time with families who are going through similar experiences.

Our annual Pediatric Cancer Center Holiday party was a huge success in part because of your very generous donation. We were able to purchase great quality toys and electronics for kids of all ages, as well as delicious food and fun entertainment. We had a visit from Santa Clause at our party, who personally gave wrapped toys from your donation to each child in attendance. We saw the biggest smiles on kid's faces as they received their presents.

It is organizations like yours which help keep our children smiling during their trying time of treatment. We thank you for supporting us and making a difference in the lives of the children at Maimonides Medical Center.

Please find the budget report attached as well as some pictures from our party. Wishing you a very happy and healthy 2018!

Kind regards,
