Dear Ms. Dashow:

I want to personally thank you for The Eugene Zitwer Foundation most recent award of \$3,867 to The Child Life Program at Maimonides Medical Center. Your ongoing support of the work we do at Maimonides Medical Center has been integral to our success in bringing special care and medical treatment to the children in our Child Life Program.

While in the hospital, children can forget to smile and laugh. Family life gets disrupted, and childhood development can be affected. The Maimonides Infants & Children's Hospital confronts these issues head-on.

"The Child Life Specialists at Maimonides are there for you and your child whenever you feel overwhelmed," said Dr. Jeffrey Avner, Chair of Pediatrics at Maimonides Infants & Children's Hospital (MICH). "Their vital role goes hand-in-hand with our family-centered care philosophy." Our dedicated physicians and nurses are committed to treating our patients as people more than illnesses. Since its founding in 1911, Maimonides Medical Center has grown over the years in every way—in the range and quality of specialty and sub-specialty programs, in the size of our facilities, and in the number of patients we serve. Your continued support allows us to respond to the needs of the people we serve.

If you or any members of your team would like a tour, I know we would be delighted to arrange; please let me know. Once again, thank you for your ongoing support of Maimonides Medical Center Child Life Program. I am most grateful.

Sincerely,

Heshy Augenbaum
Chief Development Officer
