Dear Ms. Dashow:

On behalf of Maimonides Medical Center, thank you for your generous gift of \$3,046.00, which we received on July 30, 2013. Your gift will help the hospital further strengthen and expand the services we provide to the community.

Founded in 1911, Maimonides Medical Center has grown over the years in every way—in the range and quality of specialty and sub-specialty programs, in the size of our facilities, and in the number of patients we serve. Private philanthropy has played an important role in our success. Today, Maimonides is the largest specialty care teaching hospital in Brooklyn. We are proud to provide high quality, compassionate patient care and community services to people of all faiths and backgrounds.

Our physicians, nurses, staff and volunteers continue to strive for new levels of excellence in all that we do. In 2010, we received the HealthGrades Distinguished Hospital Award for Clinical Excellence, ranking among the Top 5% in the Nation for overall quality outcomes.

We continue to move forward in modernizing our facilities with the creation of new operating rooms for advanced laparoscopic and robotic surgery and new design layouts which make collaboration among specialties easier.

We are very proud of our century-old tradition of service. We could not succeed without individuals like you who so generously support the work of the hospital.

Again, thank you for your generosity. If you have any questions about your charitable giving or Maimonides, please feel free to contact me at (718) 283-8200.

Sincerely,

Elizabeth Spiegel
Chief Development Officer

In accordance with Internal Revenue Service requirements, we confirm that your entire gift of \$3,046.00 can be considered a charitable contribution for tax purposes and that no goods or services have been provided in exchange for this contribution.
