Dear Ms. Dashow:

Thank you for The Eugene Zitwer Foundation, Inc.'s gift of \$678 to The Mount Sinai Hospital for the Child Life and Creative Arts Therapy Department. This gift has been designated for the purchase of mini iPads for procedural, distraction, and education.

As you know, the Child Life Program seeks to minimize anxiety and stress for hospitalized children and their families with specially designed therapeutic programs. In addition to providing music, art and video activities for children, our work has been proven to enhance the healing process. We are so grateful for your support of this Program. Again, thank you for your generosity.

In accordance with Internal Revenue Service requirements, we confirm that no goods or services were provided in exchange for this contribution.

With gratitude,
