The Eugene Zitwer Foundation, Inc.
50 Court St Ste 702
Brooklyn, NY 11201-4831

On behalf of everyone at NewYork-Presbyterian—and in the names of the people we serve—thank you for supporting our mission. We consider the responsibility of caring for the residents of America's largest and most diverse city to be an honor and a privilege. It is because of your philanthropy that NewYork-Presbyterian is able to provide outstanding, compassionate and comprehensive care to every person who comes through our doors.

Last year, over two million people came to us for help—many of whom had been turned away from other hospitals because their conditions were too complex. Thanks to gifts from people like you, we are able to attract and retain the best physicians and surgeons, provide our doctors with the most up-to-date technologies and tools, and save lives.

We know that you are asked to support many important causes, and we are extremely grateful that you have chosen to partner with us on this important mission. Your continued generosity enables NewYork-Presbyterian to further its vital work and advance the future of healthcare.

Thank you for being a special part of the NewYork-Presbyterian family ... and helping us make *Amazing Things Happen*.

Sincerely,

John Haley
Vice President, Development

President
The Eugene Zitwer Foundation
50 Court Street, Suite 702
Brooklyn, NY 11201-4859

Dear Ms. Millman:

On behalf of NewYork-Presbyterian/Morgan Stanley Children's Hospital, and in particular the Child Life staff, I am happy to thank you for the Eugene Zitwer Foundation's grant of \$3,000 awarded in support of our Winter Wonderland event and gifts for our young patients during the holiday season. Patients and staff look forward to Winter Wonderland, and your grant makes it more special by giving parents and caregivers the opportunity to select gifts for their children that they might not have been able to afford themselves. I enclose receipts for the gifts and event items totaling \$3,000.

This year our Child Life Team literally took note of a few examples of the impact your gift made on our patients and their families:

- "This totally changed my experience in the hospital; it made a horrible stay during Christmas better." -Parent of toddler
- A teenage patient who has been at MSCH for several months was speechless when he received a smart watch for Christmas. He wears it daily.
- A long-term patient wanted a Star Wars Lego set for Christmas, and we knew that his mother was concerned about not being able to buy that for him for Christmas. When she noticed the gift, she cried and said, "You're going to make my son a very happy kid on Christmas day, thank you so much."

The Foundation's generosity makes a world of difference to a child who is in the hospital during the Christmas holidays. Thank you for your continued support of our efforts to provide the very best patient experience for children.

Sincerely,

Rechelle D. Porter
